

StoreWatch Hardware

**StoreWatch Hardware— Dependable, Business Class Equipment
that delivers quality and performance to your business**

Hewlett Packard Business Computers

As a proud Business Partner with Hewlett Packard, Aztech recommends HP computers to deliver quality and performance for business level applications. The HP computers include technology to assure reliable performance and dependability for your demanding business environment. Remember, your computer is a vital business partner in your store's management. You need a reliable, state of the art system to maximize your profit.

Lenovo Business Computers

From its proud heritage of the IBM ThinkCentre, Lenovo carries on the tradition of reliability and technology at an affordable price. Aztech is proud to be a Lenovo Business Partner and recommends the Lenovo line because it has been tailored for small and medium businesses. Lenovo models offer the stability, reliability, and dependability you need for your business at an affordable price.

ProScan Color Touch Screen Hand Held Scanning Computers

This ergonomic palm sized device has the familiar Windows color touch screen display, so your staff will feel automatically at ease. The keyboard and display are both sealed against dust and moisture assuring a long operational life. As a ruggedized device, the ProScan series handheld can withstand four foot drops onto a concrete floor, making it a reliable partner for your store.

Included with the handheld is the necessary cabling to connect it to your computer, and our software applications to build your pricebook, audit your inventory, receive products and check shelf prices.
