

# StoreWatch Plus

**StoreWatch Plus-**  
**The Integrated Business Management System that Works the Way You Do**

StoreWatch Plus is an easy to use and economical software system designed for in-store automation of convenience store sites. It allows you to: manage your pricebook and send prices to your POS on demand, or scheduled in advance of a sale date; complete shift and day paperwork accurately and completely in a fraction of the time it takes by hand; and provides you with over 100 standard management reports to monitor and maximize your profits. Most of all it saves you time and money by it's Rapid Return on Investment!

StoreWatch Plus also simplifies store purchasing, monitors fuel and vendors, minimizes shrink, controls retail inventory, plus so much more, in minutes rather than hours! Additionally, all stores can transmit the information to the Central Office so your information is current and accurate first thing every morning.

Couple this with Aztech's outstanding customer support department, and you have a solution that will provide you years of increased productivity and profitability. At Aztech, we're delivering more than products; we're delivering reliable, innovative solutions, support and training so you get the most of your investment. Our programming staff is constantly developing new features to help you manage your business.

# StoreWatch Plus

As a valued business partner for both HP Business computers and Lenovo ThinkCentre computers, Aztech Software can supply the perfect companion to StoreWatch Plus software.. Packed with powerful features and easy enough for anyone to install, our StoreWatch computer systems offer the essential quality, reliability, and technology that you need in a commercial environment.

Our ProScan rugged color touch screen multi-function handheld scanning unit comes complete with Aztech programs to perform the following:

- Inventory Receiving
- Inventory Physical Counts
- Shelf Price Verifications
- Initial Pricebook Builds
- Employee Task Manager.

Sealed against dust and moisture, the familiar Windows CE color touch screen display is easy to learn and easy to use. The scanner has also been tested for ruggedness by sustaining multiple four foot drops onto a concrete floor. The system also includes all cabling to connect to your computer.

Enjoy the convenience of calling Aztech's toll-free hot line for hardware and software questions.
